## Amendment B

Commissioner of Patents and Trademarks Washington, DC 20231

Sir

<del>13</del>.

This letter is in response to Office Action dated 4/20/01. Please amend the above-identified patent application as follows:

In the Claims:

Please cancel Claims 1 - 12.

Please add new Claims 13 - 25.

A freeze control system, comprising:

A. a spa tub containing water,

B. spa piping for circulating water to and from said spa tub,

C. a heating element for heating the water,

D. at least one pump for pumping the heated water,

E. a first sensor for detecting the temperature of the water in the spa tub,

F. a second sensor for detecting the temperature of the ambient air around the spa's equipment, and

G. a computer programmed to process signals generated by said first sensor and said second sensor, wherein said computer selectively activates and deactivates said heating element and said at least one pump, so that the temperature of the water inside said spa tub and said spa piping is maintained above the freezing level.
